

## North American Snow Conference Release Form

The 2010 North American Snow Conference in which you are a speaker may be reproduced to be sold at a later date in the APWA Online Bookstore and Catalog. To accomplish this, we will need your permission to record your presentation and to use your presentation slides (or other electronic format) in the visual content of the after market product. Depending on the material's complexity and appeal, the presentation may be modified to fit such aftermarket products as CD-ROM, internet download, pod cast, job aid, etc.

To avoid copyright infringement with any clip art you may use in your presentation, verify the following for us. Any graphics used in connection with the presentation and subsequently burned on CD fall into one of these categories: original, royalty-free, in the public domain, or copyrighted but you have obtained permission to use. Further, no part of the material will infringe upon or violate the rights of any person or entity, including without limitation, any copyrights, trademarks or rights of privacy or publicity.

List below any graphics not in compliance with this warranty so that they may be excluded from the after market product.

Print out this form and return it with your signature to APWA Education Department. If you have questions about this request, call Phyllis Muder in the APWA Professional Development Department at 816-595-5211 or email at [pmuder@apwa.net](mailto:pmuder@apwa.net).

I agree to have my presentation reproduced and sold in the manner described above and warrant that any graphics used are original, royalty-free, in the public domain, or copyrighted but I have obtained permission to use.
